DETAILED ACTION

Allowable Subject Matter

1. Claims 1-5 are allowed.
2. The following is an examiner's statement of reasons for allowance: The prior art made of record does not teach a control device for controlling a motor using an insulated metal substrate including a thermal sensor in thermal communication with the metal path to measure the temperature of the metal path and a temperature of power transistors of the control device. The prior art does not teach a process for measuring the phase currents of the motor including measuring the temperature of at least one Insulated Metal Substrate metal path as elongation of a connection path between power or adduction devices towards outside.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Rina I. Duda whose telephone number is 571-272-2062. If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, David Martin can be reached on 571-272-2107. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
